Please briefly present the organisation (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners)	Balıkesir Üniversitesi ; with 14 faculties consisting of 56 active departments ,2 undergraduate schools, 12 vocational schools, 4 institutes, 27 research and development centers, one exhibition and convention center, one health, research and application hospital; has many facilities and staff suitable for carrying out projects. Balıkesir University has approximately 30 thousand students and about 1700 academic (approx. 1277) & administrative staff. Among our staff are; in addition to many pedagogues, sociologists ,researchers and psychologists; professors and lecturers from various departments such as medicine, nursing, tourism, business management, engineering, architecture, educational sciences, natural sciences, social sciences, fine arts, theology, education of computer and instructional technologies, English Language Teaching, Primary Education and many more. Our institution also has a very qualified and dynamic international team dealing with Erasmus+ program. Since 2006, we have taken part in many EU funded projects both as coordinating and partner institution. Balıkesir University, located in the picturesque Marmara region of Turkey, is a distinguished institution of higher learning with a rich history and a commitment to excellence in education, research, and community engagement. Established in 1992, the university has rapidly grown into a leading academic institution, renowned for its innovative programs, world-class faculty, and vibrant campus life. One of the university's key strengths is its strong emphasis on research and innovation. Our faculty members are actively engaged in cutting-edge research that addresses some of the most pressing challenges facing society today. From renewable energy and environmental sustainability to healthcare and technology, our research is making a real impact both locally and globally. Balıkesir University is also committed to serving the community and fostering social responsibility. Through various outreach programs and initiatives, we strive to make a positive difference in the lives of those around us. Our university is a hub of cultural and intellectual activity, with a wide range of events, seminars, and conferences that enrich the academic experience of our students and contribute to the intellectual life of the region. As we look to the future, Balıkesir University remains steadfast in its commitment to excellence, innovation, and service. We are proud of our past achievements and excited about the opportunities that lie ahead. Whether you are a student, faculty member, or member of the community, we invite you to join us on this journey of discovery and growth at Balıkesir University. BU ALANIN DEVAMINDA PROJEYE BAŞVURAN BİRİMİN KENDİ TANITIMI İLE DEVAM EDİLECEKTİR.
What are the activities and experience of the organisation in the areas relevant for this project?	BU ALANA BAŞVURAN BİRİM PROJE KONUSU ALAN İLE İLGİLİ UZMANLIK VE DENEYİMLERİNİ YAZACAKTIR.

What are the skills and/or expertise of key persons involved in this project?	
Would you like to make any comments or add any information to the summary of your organisation's past participation?
