

T.R.
BALIKESIR UNIVERSITY
INSTITUTE OF HEALTH SCIENCES
2025-2026 ACADEMIC YEAR
FALL SEMESTER QUOTAS FOR INTERNATIONAL GRADUATE STUDENTS

Faculty	Department	PhD Program	Master Program	Special Conditions
MEDICINE	Hystology and Embryology	-	2	Graduates of Faculty of Medicine, Faculty of Dentistry, Faculty of Veterinary Medicine, Faculty of Arts and Sciences (Department of Biology, Molecular Biology and Genetics that at least 4 years education). To have graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK (the Council of Higher Education).
	Medical Biology	-	5	Graduates of Faculty of Medicine, Faculty of Dentistry, Faculty of Veterinary Medicine, Faculty of Pharmacy, Faculty of Arts and Sciences (Department of Molecular Biology, Genetic, Biology), Faculty of Education (Department of Biology Teaching), Faculty of Engineering (Department of Software, Bioengineering). To have graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Medical Microbiology	-	2	Graduates of Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy, Faculty of Veterinary Medicine, Faculty of Arts and Sciences (Department of Biology, Microbiology, Chemistry, Molecular Biology, Genetic, Biotechnology, Molecular Biotechnology), Faculty of Health Sciences (Department of Nursing or Midwifery), Health Science High School (Department of Nursing or Midwifery), To have graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.

Faculty	Department	PhD Program	Master Program	Special Conditions
VETERINARY MEDICINE	Animal Nutrition and Nutritional Diseases	2	2	PhD Program Graduates of Faculty of Veterinary Medicine and those having bachelor's degree/master's degree Animal Nutrition and Nutritional Diseases. Master Program Graduates of Faculty of Veterinary Medicine, Faculty of Agriculture (Department of Animal Science). To have graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Anatomy	-	2	Graduates of Faculty of Veterinary Medicine, Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy, Faculty of Education (Department of Biology Teaching), Faculty of Arts and Sciences (Department of Biology), Health Schools providing undergraduate education, Sports Schools providing undergraduate education, To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Surgery	-	2	Graduates of Faculty of Veterinary Medicine. To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Obstetrics and Gynecology	2	2	Graduates of Faculty of Veterinary Medicine. To be graduated from the above-mentioned faculties/departments in Turkey or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Pharmacology and Toxicology	2	2	PhD Program Graduates of Faculty of Veterinary Medicine, Faculty of Medicine, Faculty of Pharmacy (5 years), Faculty of Dentistry, or having a bachelor's degree/master's degree in related field (Pharmacology-Toxicology). Master Program Graduates of Faculty of Veterinary Medicine, Faculty of Medicine, Faculty of Pharmacy, Faculty of Dentistry, Faculty of Arts and Sciences (Department of Biology, Molecular Biology, Chemistry, Genetic), Faculty of Health Sciences (Department of Nursing or Midwifery), Health Science High School (Department of Nursing or Midwifery). To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.

Faculty	Department	PhD Program	Master Program	Special Conditions
	Internal Medicine	2	2	PhD Program Graduates of Faculty of Veterinary Medicine, Master Program Graduates of Faculty of Veterinary Medicine. To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Microbiology	-	3	Graduates of Faculty of Veterinary Medicine, Faculty of Dentistry, Faculty of Pharmacy, Faculty of Fisheries, Faculty of Health Sciences, Faculty of Arts and Sciences (Department of Biology, Molecular Biology, Genetic), Health Science High School (Department of Nursing or Midwifery). To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Pathology	2	2	PhD Program Graduates of Faculty of Veterinary Medicine, Master Program Graduates of Faculty of Veterinary Medicine, Faculty of Medicine, Faculty of Pharmacy, Faculty of Dentistry, Faculty of Fisheries, Faculty of Health Sciences, Faculty of Arts and Sciences (Department of Biology, Molecular Biology, Genetic), Health Science High School (Department of Nursing, Midwifery or Physical Therapy). To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.

Faculty	Department	PhD Program	Master Program	Special Conditions
HEALTH SCIENCES	Surgical Diseases in Nursing	-	2	Masters with thesis: Turkish Republic National students graduated from Faculty of Nursing, School of Nursing and Health, Faculty of Sciences and Schools of Health Nursing or Health with a bachelor's degree in Civil Service Department. Foreign students graduated from the above-mentioned faculties/departments in Türkiye or the students graduated from above-mentioned faculties/departments abroad who have a Diploma Equivalency Certificate issued by YÖK.
	Child Health and Diseases in Nursing	-	3	Masters with thesis: Turkish Republic National students having a bachelor's degree in nursing. Foreign students graduated from the above-mentioned faculties/departments in Türkiye or the from above-mentioned faculties/departments abroad with a Diploma Equivalency Certificate issued by YÖK.
	Midwifery	-	2	Masters with thesis: Turkish Republic National students graduated from School of Health or Faculty of Health Sciences Midwifery with a bachelor's degree in Civil Service Department. Foreign Students graduated from the above-mentioned faculties/departments in Türkiye or students graduated from the above-mentioned faculties/departments abroad with a Diploma Equivalency Certificate issued by YÖK.
	Physical Therapy and Rehabilitation	-	2	Graduate of Faculty of Health Sciences (Department of Physiotherapy and Rehabilitation), Faculty of Physical Therapy and Rehabilitation.
	Public Health Nursing	-	2	Graduates of Faculty of Nursing, School of Nursing, Faculty of Health Sciences, Health High School (Department of Nursing, Midwifery, Health Officer). To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.

Faculty	Department	PhD Program	Master Program	Special Conditions
SPORTS SCIENCE	Coaching Education	-	2	To be graduated from departments related to sports education such as Physical Education, Coaching Education, Sports Management, Recreation Departments of Faculties and Higher Education Institutions that provide undergraduate education. To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Physical Education and Sports	2	2	PhD Program Master's degree with thesis in any of the Departments related to Physical Education and Sports. Master Program To be graduated from departments related to sports education such as Physical Education, Coaching Education, Sports Management, Recreation Departments of Faculties and Higher Education Institutions that provide undergraduate education. To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
	Sports Management	-	2	To be graduated from departments related to sports education such as Physical Education, Coaching Education, Sports Management, Recreation Departments of Faculties and Higher Education Institutions that provide undergraduate education. To be graduated from the above-mentioned faculties/departments in Türkiye or from the above-mentioned faculties/departments abroad that have Diploma Equivalency Certificate by YÖK.
