

T.R.
BALIKESİR UNIVERSITY RECTORATE
DIRECTORATE OF THE INSTITUTE OF SCIENCE
2024-2025 ACADEMIC YEAR FALL SEMESTER
QUOTAS FOR INTERNATIONAL STUDENTS

DEPARTMENT		QUOTAS		Special Conditions
		Master's Degree with Thesis	PHD	
Computer and Information Engineering		3	-	Graduating from Computer Engineering, Information Systems Engineering, Software Engineering, Electrical-Electronics Engineering, Electronics Engineering, Electronics and Communication Engineering departments.
Environmental Engineering		3	2	-
Electrical - Electronics Engineering		4	-	Having graduated from Electrical, Electronics, Communication, Electrical-Electronics, Control and Automation, Computer Engineering departments.
Food Engineering		3	-	Being a graduate of Food Engineering, Food Technology, Dairy Technology, Chemical Engineering, Agricultural Engineering, Fisheries Engineering, Veterinary Faculty, Biology, Chemistry, Nutrition and Dietetics.
Civil Engineering		5	2	Master: Having graduated from Civil Engineering department. Phd: Having a master's degree in Civil Engineering.
Geology Engineering		3	3	Having graduated from Geology Engineering department.
Mechanical Engineering		2	2	Having graduated from Mechanical Engineering department.
Biology		6	2	-
Physics		10	9	-
Chemistry		15	8	Master: Graduated from Chemistry, Biochemistry, Chemistry Teacher Education, Science Teacher Education, Chemical Engineering, Environmental Engineering, Molecular Biology and Genetics, Pharmacy, Food Engineering, Physics, Biology, Materials Engineering, Mining Engineering, Polymer Engineering, Ceramic Engineering and Nanotechnology Engineering (A scientific preparation program will be applied to graduates of other departments except Chemistry, Chemistry Education, Biochemistry and Pharmacy Departments.) Phd: Having a master's degree in chemistry, Biochemistry and Pharmacy, Chemistry Education, Environmental Engineering, Chemical Engineering, Polymer Engineering.
Mathematics		4	-	-
Molecular Biology and Genetics		9	-	Having graduated from Molecular Biology and Genetics, Biology, Biology Teaching, Biochemistry, Bioengineering, Faculty of Pharmacy and Medicine, Dentistry, Molecular Biotechnology, Bioinformatics and Genetics, Genetics and Bioengineering, Genetics and Life Sciences, Agricultural Biotechnology, Chemical-Biological Engineering, Agricultural Genetic Engineering.
Mathematics and Science Education	Chemistry Ed.	3	2	Master: Having graduated from one of the fields of Chemistry Teaching, Science Teaching, Chemistry or Chemical Engineering. Phd: Having a master's degree in one of the fields of Chemistry Education, Chemistry and Science Education.
	Mathematics Education	2	-	Having a bachelor's degree in mathematics education or elementary mathematics education.
DEPARTMENT		QUOTA		Special Conditions
Occupational Health and Safety Non-Thesis Master's Degree (Second Education)		5		Having a bachelor's degree.
